25X1

25X1

Location: Approximately 29 nm N of the complex support facility

Type: IIID

25X1

Stage of Construction: Early

The secured launch site is situated in flat, open, cultivated terrain and consists of a silo excavation in progress and a building. The security fence encloses an area large enough to contain a control facility. A group of 5 associated large buildings is situated approximately 2,500 ft SW of the excavation.
